## DON'T FORGET!

Please don't forget your big/little sisters for their first meets! For the Novice/Intermediate meet (2/10) & the 13-15 Invite/Senior Association Meet (2/25) we would like for you to share with your big/little sister **your favorite saying**. This may be something bought or handmade - be creative! If you aren't able to attend their meets, please bring your good luck items to practice on the Wednesday before the meets.

## PRACTICE TAPES/CD's

Everyone should now have practice tapes/cd's for ALL of their routines. These tapes should be carried with you EVERYWHERE, all practices, meets, on road trips (to drive your parents crazy!). If you have not received all of your routines music, please let Shari know asap. Please email me with your requests - thank you!

### **5..4..3..2..MEET TIME!**

Counting today's practice (and assuming there are NO snow days) there are only 9 practices until the Novice/Intermediate meet!

Counting today's practice there are only 22 practices until the 13-15 Invitational & Senior Association Meet.

### **DID YOU KNOW?**

If you spill your sequins or beads there is an easy way to pick them up. Simply place a nylon over your vacuum cleaner nozzle, turn the vacuum on & pick up the beads/sequins. Place the vacuum hose over a bowl & turn the vacuum off – *Voila* – easy clean up!

### **SEQUINING FEE**

Splash will be collecting a fee of \$5.00/routine suit for sequins. Please make checks payable to Splash and a notation in the note section saying SEQUINS. Rhinestones will be an additional charge. Thank you very much for your prompt payment.

### **2006 ROCKY MTN NOVICE/INTERMEDIATE MEET**

This meet will be held on Saturday, February 10, 2007 at Sheridan. The schedule will be handed out as soon as it is available. All silver team members & Cassie will be competing in this meet.

Please mark your calendars.

### **SEQUINING ADVICE**

This may be old news to some, but it was an experiment for me that really worked out to be a great help!

I found that some of the sequins we have tend to like to attach themselves to your fingers/hands and won't let go due to static electricity. I placed a fabric softener sheet on the suit I was sequining and placed the sequins on the fabric sheet. This really cut the static electricity and stopped the sequins from "sticking" to me.

### **SENIOR ASSOCIATION, 13- 15 INVITATIONAL & 13 & UNDER AGE GROUP INVITATIONAL**

This meet will be held at Colorado College in Colorado Springs on Sunday, February 25<sup>th</sup>.

I have not received the official meet announcement for this meet yet, but will pass on the information for it as soon as it is available.

### **Rocky Mtn Figure Meet & 1/2 Routine Critique**

January 28<sup>th</sup> at Thompson Valley High Schools. All swimmers on the Teal, Purple & Gold Teams will compete in 4 Figures. 1/2 Routines with scores & critiques from judges will be awarded.

All swimmers will wear black suits & white caps for all events.

Times, schedule & directions have been emailed & are attached.
